Dear Burt:

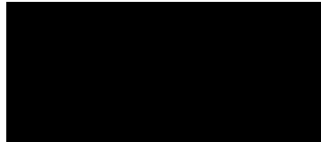

We have established a new Post Office Box to replace the one you have been using in the Washington D. C. area.

The new box will be serviced on a daily basis starting immediately, and you should use it as soon as practicable. However, we will also service the old box for a period of about six weeks in order to allow time for the change-over.

Would you please notify all individuals concerned in your organization of this change of address.

All future mail should be addressed as follows:

Regards,

George
